

YIPPEE . . . Winter is about to begin and you can now register for the 2018 June Corvette Adventures, celebrating our 11th year.

We are pleased to announce the registration for the 2018 June Corvette Adventures event is **OPEN!!**

We feel that the selection of tours is the best ever and we know that you will enjoy what we are offering.

Once again, Eric Degelau, the #1 Corvette salesman in Wisconsin from our Title Sponsor, Bergstrom Chevrolet in Middleton, WI has designed a great Mystery Tour for Thursday. Wait until you see where he is going but you won't know where you are going until you get there - and we promise you, you will enjoy it. There will be both *spirited* and scenic routes for this tour. And yes, it is a mystery!!

You asked for it, we listened, and we will have morning coffee and water for sale at the registration area which means no long lines for your morning coffee.

We have been lax in the past in enforcing our limit on the number of Corvettes on a tour because we try to squeeze your best friend in - well we are now going back to our original plans and we are going to work very hard to limit the tours to 15 - 18 Corvettes and less sometimes to make your tour experience better. So sign up now to assure your space with your best friend.

If you have a club that wants to tour together, please make those reservations as soon as possible so that all can be together as you would like; or, think about making new friends. Last year we had Corvette owners from 15 states and Canada so there are lots of Corvette owners for you to meet and drive with. You'd be amazed how many people are now friends - makes us smile!!

Make sure you register and pick your tours now and don't wait for the day of the tour.

More tours will be offered with both a scenic and a *spirited* version giving you a choice of your driving pleasures.

We have brought back a couple favorites, due to popular demand, like the Packers and also the Farm/Clydsdales tours.

There are lots of new tours we have never done that we have been asked to do before including a Date Tour - a relaxing drive to a great winery, lunch with wine pairings followed by a stop at a cheese factory. A little pricey, but well worth it for your favorite date!!

Then there is a tour with Ladies driving, men co-piloting, led by Renee Degelau - now that is going to be just plain fun!!
