Jeff's 2017 Annual Report of Ozaukee Corvette Club:

2017 Year in Review

November 2016, the annual meeting of OCC saw the election of officers and directors for the following year. The results were Jeff Myers, president; Ron Giese, Vice president; Carie Drennan, Secretary, Sue Giese, Treasurer. The directors were Gregg Goetz, Mark Hobler, and Pat Murray. Carie and Dana Drennen moved to Iowa, and Sue Montana-Myers agreed to be the interim secretary the club made our annual contribution to Ozaukee Family Sharing for their Thanksgiving and Christmas food programs.

December 2016 the club ended the year with 87 members owning 50 Corvettes. The Holidays are upon us, our snowbird members are settling into life in warmer climates as our Corvettes are put away for another winter.

January 2017 the club had their Christmas Party at M.J. Stevens, and a great time was had by the 42 members that attended. We had an unusual Christmas present exchange that almost everyone seemed to enjoy.

February 2017 meeting was suspended due to a lack of a quorum. This issue will need to be addressed moving forward.

March 2017 was the Charity Chili Cook-off held at the Delafield Brewhaus. OCC learned that they would be the next club to host the 2018 Chili Cook-off.

April 2017 the days are getting longer. Our Florida members will be returning soon, and the Corvettes will be coming out of storage.

May 2017 the club had its traditional shakedown cruise and headed to The Horse and Plow Restaurant at the Village of Kohler. A great ride, and good food were enjoyed by everyone. Our first parade of the season, the West Bend Memorial Day parade took place.

June 2017 Wednesday evenings at Wayne's became more popular as the weather warmed up. We participated in the Thiensville parade, our 2nd parade of the season.

July 2017 is parade month. Our 4th of July Parade is the Cedarburg Parade. Over 30 cars from the club participated. The Cedarburg police estimated there were over 150,000 people lining both sides of the 1.5 mile parade route. Later that same day, club members made the trip to the Village of Brown Deer, to participate in their 4th of July parade. Truly a wonderful venue. Later in the month members participated in the Port Washington Fish Day Parade and Car Show. This was the fifth and final parade of our season. Thom Brown has done a great job once again with our parades.

August & September 2017 were car show months and Wednesdays at Wayne's. We had our monthly membership meeting at Wayne's, and had a large turnout. The Club voted to award Family Sharing of Ozaukee County \$1,000. For the upcoming Thanksgiving and Christmas Food Drives.

October 2017 fall is upon us, yet the days are still warm. Our Snowbirds are plotting their escape to warmer climates, and members are getting ready to store their cars for winter. The Giese's held their bonfire and a date has been set for the Chili Cook-off. Bruce and Sally Post led a group of members on a road trip to the Lake Geneva area for great fall color and good food. Nominations of officers and directors for the 2017-2018 year were accepted at the general business meeting.

November 2017 is the annual meeting and election of officers and directors.

The Ozaukee Corvette Club is in sound financial condition and will end the year with 79 members. I want to thank Ron Giese for his good work as our membership chair and vice president. Sue Giese has done a good job with club finances as our treasurer, and we appreciate her good work. Pat Murray and Dana Drennen started the year as our Web Masters. Dana was promoted to his new position in Iowa, and Jim Nowlen stepped up to work with Pat on the Club's website and as editor of the Club newsletter the Ozaukee Glass. I want to thank Carie Drennen for all her good work as our secretary until she had to relocate to Iowa. The Drennens were very active in the club, and will be missed. The directors of our club, Gregg Goetz, Mark Hobler, and Pat Murray have provided wise counsel which is appreciated by myself- thank you fellows. I would also like to thank my wonderful wife, Sue for stepping up and volunteering to be the interim secretary, and being supportive of my work for the club.

These are interesting times for the Corvette. We are on the brink of seeing and experiencing a whole new direction for Chevrolet and the Corvette. The manufacturing facility has doubled in size, the 2018 model year has ended before 2018 even happened, and the rumor mills are in full speculation mode. Whatever is happening, it will probably exceed our expectations, and the 2019 Corvette in some form or another will start production soon. As a Corvette Club beginning its' 39th year, we have a front seat to see what our favorite sports car will become. We already know owning one is the most fun you can have on four wheels.

Respectfully,
Jeff Myers,
President, Ozaukee Corvette Club

NEWSLETTER PUBLICATION SCHEDULE:

Articles for each month's newsletter need to be sent to jimnowlen@gmail.com by or before the first of the month.

Elsewhere in our newsletter will be important dates to remember. These are also available on the club website calendar, as well as club "hootboard".

**Next Newsletter cutoff is
February 15, 2018**

Note to members from editor. One of the things I try to feature each month is a Member Spotlight reflecting Corvettes owned by our members. It would help greatly to have on hand pictures and information so that I can include, potentially, **YOUR** car in a newsletter. If you are willing to participate, would you please send me a PHOTO of your car, along with your story. Your story can be anything you like. For example, how did you come to buy your 'vette? Why this particular Corvette? What improvements if any are you considering? What about your driving experience delights (or frustrates if applicable)? Please include: Year, Model, Engine, Color, Nickname and Outstanding Features.

If you're willing to participate, would you please send me an email including photo? Send to our [newsletter editor](#).

Thanks very much!
